

ಬಿಶೇಷ ರಾಜ್ಯ ಪತ್ರ

ಭಾಗ- IV-A	ಬೆಂಗಳೂರು, ಸೋಮವಾರ, ನವೆಂಬರ್ ೨೪, ೨೦೧೪ (ಮಾರ್ಗಶಿರ ೦೩, ಶಕ ವರ್ಷ ೧೯೩೬)	ನಂ. ೭೩೬
Part- IV-A	Bangalore, Monday, November 24, 2014 (Margashira 03, Shaka Varsha 1936)	No. 736

PERSONNEL AND AMINISTRATIVE REFORMS SECRETARIAT NOTIFICATION

No: DPAR 235 SRR 2013, Bangalore, Dated: 24-11-2014

Whereas, the draft of the following rules further to amend the Karnataka Recruitment of Gazetted Probationers (Appointment by Competitive Examinations) Rules, 1997 was published as required by clause(a) of Sub-section(2) of section 3 read with section 8 of the Karnataka State Civil Services Act, 1978 (Karnataka Act 14 of 1990) in Notification No. DPAR 235 SRR 2013, Dated.30.09.2014 in part IV-A (volume 148) of Karnataka Gazette Dated.30.09.2014 inviting objections and suggestions from persons likely to be affected thereby within 15 days from the date of publication of Draft in the official Gazette.

Whereas, the said Gazette was made available to the public on 30.09.2014.

And whereas, objections and suggestions received have been considered by the State Government.

Now, therefore, in exercise of the powers conferred by sub-section(1) of section 3 read with section 8 of the Karnataka State Civil Services Act, 1978 (Karnataka Act 14 of 1990) the Government of Karnataka makes the following rules namely:

RULES

1. Title and commencement,- (1) These rules may be called the Karnataka Recruitment of Gazetted Probationers (Appointment by Competitive Examinations) (11th Amendment) Rules, 2014.

(2) They shall come into force from the date of their publication in the official Gazette.

2. Amendment to rule 6: In the Karnataka Recruitment of Gazetted Probationers (Appointment by Competitive Examinations) Rules, 1997 (hereinafter referred to as the said rules) in the rule 6, the following proviso shall be inserted at the end, namely:-

“ Provided that in respect of notification to be issued for 452 vacant posts in the year 2014 or 2015 and for the subsequent notifications to be issued for the next immediate recruitment, candidates who are otherwise eligible shall be allowed two more attempts over and above the eligible number of attempts”.

3. Amendment of Schedule II: In **Schedule II**, to the said rules,

(i) under **Section I**, for the sub-heading **Part-B** the entries relating thereto, the following shall be substituted, namely:-

The Main Examination shall consist of written examination and personality test.

Written Examination:

Qualifying Papers	Kannada	150 Marks	2 Hours
	English	150 Marks	2 Hours

Compulsory Papers	Paper I	Essay	250 marks	3 Hours
	Paper II	General Studies1	250 marks	3 Hours
	Paper III	General Studies2	250 marks	3 Hours
	Paper IV	General Studies3	250 marks	3 Hours
	Papers V	General Studies4	250 marks	3 Hours
	Paper VI	<u>Optional Subject</u> Paper - I	250 marks	3 Hours
	Paper VII	<u>Optional Subject</u> Paper-2	250 marks	3 Hours
Total marks for written examination			1750 marks	

Note: 1. The marks obtained in qualifying papers i.e., in Kannada and in English shall be of qualifying nature. For qualifying in these papers, a minimum of 35% in each paper is prescribed. The marks obtained in these two papers shall not be considered for determining the merit for selection. Candidates who do not secure the prescribed minimum marks in the qualifying papers, namely, Kannada and English, shall not be eligible for personality test and selection.

2. The Examination shall be of conventional, Descriptive type in nature and all papers are compulsory.

3. The question papers shall be set both in Kannada and in English. A candidate may answer a paper either entirely in Kannada or in English.

4. The standard of the Main Examination except Paper I Kannada and Paper II English shall be that of Degree level. The standard of paper I Kannada and Paper II English shall be that of First Language Kannada and First Language English respectively at SSLC level.

5. All seven papers are compulsory. Paper II to V consists of three sections. Each paper carries a maximum of 250 marks and duration of three hours only.

6. Written and Personality Test Marks will be announced along with the final select list.

C. Personality Test: The candidate will be interviewed by a board who will have before them a record of his or her career except marks secured in their main examination. He/ she will be asked questions on matters of general interest. The object of the interview is to assess the personal suitability of the candidate for a career in public services by a board of competent and unbiased observers. The test is intended to judge the mental caliber of a candidate. In broad terms, this is really an assessment of not only his/her intellectual qualities but also social traits and his/her interest in current affairs. Some of the qualities to be judged are mental alertness, critical powers of assimilations, clear and logical exposition, balance of judgement, variety and depth of interest, ability for social cohesion and leadership, intellectual and moral integrity. The technique of the interview is not that of a strict cross examination but of a natural, though directed and purposive conversation which is intended to reveal the mental qualities of the candidate. The interview test is not intended to be a test either of the specialized or general knowledge of the candidate which has been already tested through written papers. Candidates are expected to have taken an intelligent interest not only in their special subjects of academic study but also in the events, which are happening around them both within or outside their own state or country as well as in modern current of thoughts and in new discoveries which should rouse the curiosity of well educated youth.

The Commission shall call for a personality test, as far as may be, three times the number of candidates as there are vacancies in the Group-A and Group-B services. The candidates are invited for personality test in the order of merit on the basis of the results of the Main Examination ensuring the reservations for candidates belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes in the same ratio of vacancies reserved for them. Personality Test shall carry a maximum of 200 marks.

(ii) under **Section II**, for the sub-heading **Part-B** the entries relating to the Main Examination thereto, the following shall be substituted, namely:-

Qualifying Papers	Kannada	150 Marks	2 Hours
	English	150 Marks	2 Hours

PAPERS	No. of Sections (Kannada/ English)	Total Marks per Section	Total Marks per Paper	Duration
Paper I : Essays Two Essays (in Kannada/English) Essay- 1:Topic of International /National Importance Essay- 2: Topic of State Importance / Local Importance	Two Essays	125 each essay	250	3 Hrs
Paper II : General Studies 1 1. History & Cultural Heritage (India and Karnataka) 2. Social & Political Perspective. 3. Indian Economy-Planning- Rural Development Data Collection-Analysis- Interpretation.	Three Sections	80/85	250	-do-
Paper III : General Studies 2 1. Physical Features and Natural Resources. 2. Overview of Indian Constitution. 3. Public Administration & Management, International Relations.	Three Sections	80/85	250	-do-

	Grand Total		1950	

Qualifying paper Kannada

The aim of the paper is to test the candidate's ability to read and understand serious discursive prose and to express his ideas clearly and correctly in Kannada.

The pattern of questions would be broadly as follows:-

Kannada**ಸಾಮಾನ್ಯ ಕನ್ನಡ:**

- | | |
|-----------------------------------|------------|
| 1) ವಿಷಯದ ಸಮಗ್ರ ಅರ್ಥೈಸುವಿಕೆ | -25 ಅಂಕಗಳು |
| 2) ಪದ ಪ್ರಯೋಗ | -25 ಅಂಕಗಳು |
| 3) ವಿಷಯ ಸಂಕ್ಷೇಪಣೆ | -25 ಅಂಕಗಳು |
| 4) ಪದಜ್ಞಾನ | -25 ಅಂಕಗಳು |
| 5) ಲಘು ಪ್ರಬಂಧ | -25 ಅಂಕಗಳು |
| 6) ಇಂಗ್ಲೀಷಿನಿಂದ ಕನ್ನಡಕ್ಕೆ ಭಾಷಾಂತರ | -25 ಅಂಕಗಳು |

Qualifying paper English

The aim of the paper is to test the candidate's ability to read and understand serious discursive prose and to express his ideas clearly and correctly in English.

The pattern of questions would be broadly as follows:-

- | | |
|------------------------------------|----------|
| 1. Comprehension of given passages | 25 marks |
| 2. Precis writing | 25 marks |
| 3. Usage | 25 marks |
| 4. Vocabulary | 25 marks |
| 5. Short Essay | 25 marks |
| 6. Communication Skills | 25 marks |

PAPER – I Essay 250 Marks 3 Hours

Two Essays (in Kannada/English Language), 125 marks each

Essay – 1: Topics of International / National Importance,

Essay – 2: Topic of State Importance / Local Importance

PAPER - II General Studies 1**Section - I : History and Cultural Heritage (India & Karnataka) - (6 Units)****Unit 1: Cultural Heritage of India (select areas and topics)**

- (i) Indus Civilization – Distinction between Indus Civilization and Vedic Civilization– Evolution of Varna, Jathi/caste system – Religious condition – emergence of religious movements.
- (ii) Literature: Sanskrit Literature (Ancient) : Vedic Literature, the epics and the Puranas: their impact on the life and culture of the Indian People; Prose works on polity, ethics (neeti), popular stories and Pancha Tantra (only important works); Mughal contributions to literature.
- (iii) Science and Technology: Mathematics, Astronomy, Physics, Chemistry, Botany, Zoology, Physiology and Medicine (including Surgery), Ship-building, Mining and Metallurgy, Engineering and Architecture.
- (iv) Arts (Excluding Karnataka): The Maurya and Gupta periods; The Khajuraho temples; Jain temples at Mount Abu and the Odishyan temples; Pallava, Chola and Pandyan contributions. The Mughal architecture; Cathedral architecture: Bom Jesus-Old Goa, St. Paul's- Kolkata and St. Thomas- Chennai. Painting : Ajanta frescoes; Mughal and Rajput schools of painting. Dance and Music: Classical music and dance; Mughal contributions to music. Folk arts of India.
- (v) India's cultural contributions to the outside world: Central Asia, China, Japan, South-East Asia and Sri Lanka.
- (vi) Religions of India-
 - (i) Hindu Dharma: General characteristics and some common beliefs – Purusharthas– rituals and ethics – festivals and sacred days – pilgrimage and fairs. Hindu sects: Hinduism as a federation of various sects – Shaiva, Vaishnava and Shakta. Philosophy of the Upanishad and the Bhagavad-Gita – Yoga Philosophy of Pathanjali.
 - (ii) Jainism: Principles – Ratnatraya, code of morals, Equality (samana), Ahimsa,. Sects: Digambara and Swethambara.
 - (iii) Buddhism: Principles – Four noble truths, The Eight – fold path, Nirvana, Moral doctrines. Sects: Hinayana and Mahayana

- (iv) Christianity: Teachings of Jesus Christ. Christian doctrines and theology. Groups in Christianity – The Roman Catholic Church, the Eastern orthodox churches and the Protestants churches. Missionary activities in India
- (v) Islam: Principles and practices – God, Confession of Faith, Five “Pillars of Islam”, sacred places and days, the family system and the shariah, Sufis of Karnataka, Sects: Shia and Sunni.
- (vi) Sikhism: Principles and practices and its Evolution.

Unit 2 : Toward transforming Indian Society : Major schools of thought.

Modern Indian History – from the beginning of 19th Century, Reforms and Reformers,

1. Eradication of Social and religious wrongs
2. The Vedas for all – The Casteless society
3. Ideal of service
4. Emancipation of the Depressed class
5. “Two-Nation” theory and Islamic revivalism
6. Empowerment of the Depressed class through religion and education
7. Hindutva and Patriotism
8. The Dravida Movement
9. Struggle for emancipation of Dalits and their empowerment
10. Socialist approach and Total Revolution
11. Gram Swaraj, Satyagraha and Bhoodana

Unit 3 : From Kadambas to the Hoysalas.

- (i) Antiquity of Karnataka; Kannada language and literature; Extent of Kannadanadu; State and District Gazetteers; Museums and Archives in Karnataka; Preservation and protection of historical monuments – work of Archaeological Survey of India – World Heritage Sites in Karnataka.
- (ii) From Kadambas to the Hoysalas : Contributions to Architecture, sculpture, literature and religion.

Unit 4 : The Vijayanagara Empire and thereafter (1336-1799).

- (i) Vijayanagara Empire: Origin, aims and aspiration of the Empire – Vidyaranya. Political history : Harihara, Bukka, Immadi Devaraya, Krishnadevaraya and Aliya Ramaraya – The battle of Talikote and its consequences. Glory of the capital – Administration – Society, economy and religion; Arts: Painting; Music, Dance, Literature, Architecture and Sculpture; Foreign accounts of Vijayanagara.
- (ii) Religious sects: Shankaracharya, Ramanujacharya, Madhwacharya – Sri Basaveshvara, Veerashaivism and Vachana movement – Haridasa movement – Kalamukha, Shakta and Pashupatha sects.
- (iii) The Bahman Shahis : Mahamud Gawan - Contributions of the Bahamani – Adil Shahis of Bijapur: Contributions to literature and architecture – Sufis in Karnataka.
- (iv) Chikkadevaraja Wodeyar – Contributions; The Nayakas of Keladi and Chitradurga; Rani Chennamma & Sangolli Rayanna of Kittur, The Yalahanka Nadaprabhu; Hyder Ali and Tippu Sultan (1761-1799).

Unit 5 : Modern Mysore (1799-1947).

- (i) Krishna raja Wodeyar III – his contributions;
- (ii) Armed rebellion in Karnataka against the British in Karnataka
- (iii) Commissioner’s Rule (1831-1881)
- (iv) Nizam’s rule in Hyderabad – Karnataka
- (v) Progress of Mysore under the Dewans.

Unit 6 : Freedom Movement in Karnataka and Unification (1885-1956).

- (i) Rise of Nationalism; Pre-Gandhian era (1885-1920); Gandhian era (1920-1948).
- (ii) Freedom movement in Hyderabad – Karnataka
- (iii) Important personalities in Freedom Struggle.
- (iv) Unification of Karnataka; Causes for the rise of unification movement – Alur Venkatrao – Role of literacy, cultural associations and print media – Three stages in the unification of Karnataka (1947-1956).
- (v) Social and Cultural developments: Spread of education by missionary and voluntary bodies – printing and the press – Literary and Scholarly studies – New literary genres in kannada literature – Backward Class movement – Miller Committee Report, Folk arts of Karnataka.

Section II - Social and Political Perspective - (7 units)

1. **Post Independent Karnataka** – Towards Political Consolidation – Attempts of Successive Governments – Backward Classes and Social Justice – Reports of : Havnur Committee - Venkataswamy Committee – Chinnappa Reddy Committee – Recent Trends – Dalit Movement – Devaraja Urs and Land Reforms. Language Issue: Gokak Movement – Issues and Perspectives. Inter-State Disputes - Boundary Disputes – Mahajan Committee Report and its impact – Water Disputes - Farmer's Movement, Regional Imbalance & Nanjundappa committee Report.
2. **Social Change and Movements** –Social structure and social change, Theories of Social Change, Social Disorganisation and Social movements, directed social change, social policy and social development.
3. **Social Change and Modernisation** - Problems of role conflict – intergenerational gap, youth unrest & commercialization of education, emergence of India as Educational Force - changing status of women and social movements, industrialization and urbanization, role of pressure groups, Sanskritisation, westernisation and modernization - Modernism versus traditionalism. Current social evils – fundamentalism and terrorism, Naxalism, Nepotism, corruption, and black money.
4. **Government and Political System** – Legislature, Executive and Judiciary, functioning of democratic political system in a traditional society, political party and their social composition.
5. **Decentralisation of power** – Decentralisation of power and political participation. Union Government, Parliament, Cabinet, Supreme court, Judicial review, Center-State relations, State government, role of Governor, Panchayathi raj, class and caste in Indian politics, politics of regionalism, linguism, and communalism. Problems of secularisation policy and national integration, Political participation & voting, vote bank politics.
6. **Socio Economic System** – The Jajmani system and its bearing on traditional society. Market Economy and its social consequences, Occupational diversification and social structure, Profession and professionalisation, role of trade unions, social determinants and consequence of economical development, economic inequalities, exploitation and corruption, Globalisation and its social impact.
7. **Rural Social system and Rural Development** – Socio cultural dimensions of village community, traditional power structure, democratization and leadership, poverty, indebtedness, bonded labour, social consequences of land reforms, Rural development projects, green revolution, new strategies of rural development, the changing rural scene.

Section III – Indian Economy – Planning- Rural Development (8 units)

1. **Indian Economy** – Post independence growth - experience of agriculture, industry and tertiary sectors, growth and distributive justice. Poverty and inequality, Growth of Karnataka Economy during the plan era, growth and sectoral changes and linkages in the State Economy.
2. **India and International economic relations** – Growth and trade – volume, composition and direction of exports and imports, domestic and foreign capital in economic development, changes in India's foreign trade policy, balance of payments and foreign exchange. Karnataka's exports – volume, composition, and direction.
3. **Development patterns** and disparities among regions and between rural and urban areas, public policies to mitigate disparities, prospects and problems of Special economic zones. Development disparities in Karnataka and public policies, Redressal of development disparities. Regional development boards.
4. **Planning – Planning goals**, objectives and approaches, achievements and failures of five year plans (I to VII Five year plans). Development plans under the new economic policies regime (VIII Five year plan onwards). Planning in Karnataka.
5. **Decentralization** – pros and cons of top-down planning and bottom-up planning, planning mechanism and experience in Panchayathi raj institutions, planning and capacity building, planning and financing. Decentralized planning in Karnataka, Resource mobilization and devolution. District Planning Committee, State finances and local finances. State finance commission.
6. **Rural Development** – Importance of agriculture in the national economy, Gandhian approach to rural development and land reforms, size of farms and productivity, problems of irrigation and dry land farming, food security, rural credit, agricultural marketing, agricultural labour, rural industries and employment. Agricultural problems in Karnataka, Rural Economic infrastructure (Energy, Irrigation, Transport, Communication, Markets), Rural Social Infrastructure - Housing, Drinking water, Sanitation & Drainage, Rural Health systems and their delivery. Development of Economic and Social infrastructure in Karnataka, Rural markets in Karnataka. Rural housing and health care schemes in Karnataka.
7. **Rural Development Initiatives** – Poverty Alleviation-cum-Employment generation Programmes, Five Year Plan and inclusive growth, rural financial institutions, Development and conservation of common property resources in rural areas – village grasslands and woods, water bodies, Provision of urban amenities in rural areas (PURA).

Rural Development schemes in Karnataka, self help groups and micro finance institutions in Karnataka, External assistance for rural tank rejuvenation, drinking water, sanitation and health care in Karnataka.

8. **Data Collection Analysis- Interpretation-** Collection, Interpretation and Appreciation of Statistical Data- Study of Graphs and Charts:- Bar Graphs, Line Graphs and Pie Charts- Problems Based on Tabular and Diagrammatical Data- Data Sufficiency in Statistics- Problems Based on Probability- Permutations and Combinations-Quantitative Aptitude – Number Sequences, Series, Averages, Number Systems, Ratio and Proportion, Profit and Loss, Percentages, Time and work, Speed-Time-Distance, Simple Interest, Analytical and Critical Reasoning, Reading Comprehension

PAPER - III General Studies 2

Section I - Physical Features and Natural Resources

GEOGRAPHY OF THE WORLD

1. **Lithosphere**-Place of Earth in the Solar System, Rocks, Earthquakes, Volcanoes, Plate tectonics, Agents of Erosion. **Atmosphere** - Structure and Composition –Elements of Climate and weather – Broad Climatic types. **Hydrosphere** - World Oceans Salinity – Ocean currents and Tides – Ocean Deposits.
2. **Physiography of Continents and Demographic distribution** - Mountains, Rivers, Forests, Grass lands, Deserts, Human Races, Population Change, distribution and demographic transition, density, sex ratio, quality of life, life expectancy, literacy, standard of living and migration.

GEOGRAPHY OF INDIA

3. **Physiography of India** – Climate, Rivers, Soil, Natural vegetation. Mineral Resources: Iron ore and Manganese - Copper and Bauxite Coal, Petroleum and Natural Gas, Nuclear Deposits. Major crops-, Distribution and production of cereals, millets, oilseeds, plantation crops, commercial crops. Indian Demography – Growth, Composition, Distribution, Density, Human Development Index. Demographic Database.
4. **Industrial Planning and Development** :_Growth and Distribution of Major, Medium, Small and Tiny Industries – Industrial regions of India. Industrial infrastructure - Railways, Roads, and Ports. Backward regions and rural industrialisation. Regional Planning and Development -Tribal and hill areas, drought prone areas, command areas and river basins. Classification of Towns and Cities. Urban Structure.

GEOGRAPHY OF KARNATAKA

5. **Physiographic divisions** – Climate, Rivers, rainfall distribution, Natural vegetation and Soil. Agriculture and Agro climatic regions, Major crops, Plantation and commercial crops of Karnataka. Mineral Resources of Karnataka. Sources of Power (Hydro, Thermal, Solar, Nuclear and Wind). Major, Medium and Small Scale industries, Agro based Industries. Transportation and Communication Systems in Karnataka. Geographic information system .
6. **Urban Land use Policy and Urbanisation** - Demographic features Literacy and Urbanisation. Population Problems and policies, Literacy, City classification and urban spheres of influence, rural urban fringe, problems of urban growth. Land use, Town planning, slums and urban housing. Intra and Inter regional trade and the role of rural Market centers

Section II - Overview of Indian Constitution (7 units)

1. **Nature of the Constitution-** Constitutional developments, , salient features of Constitution: Preamble, Directive Principles of State Policy, Indian federation, etc.,
2. **Fundamental rights** – Right to Equality, Right to Freedom, Right against exploitation, Right to freedom of religion, Cultural and Educational rights, Right to Constitutional remedies. Reasonable restrictions - Provision for schedule caste, schedule tribe and minorities, Reservations for SC/ST and OBC's, preventions of SC/ST Atrocities Act, National and State SC/ST Commission
3. **Distribution of Legislative powers** – Between the Union and the State, Administrative and Financial relations between the union and the states, Powers and functions of constitutional bodies. Powers and Functions – Governor, Council of Ministers and Cabinet, Judicial remedies.
4. **Unicameral and Bicameral legislations** – Functions and crisis of accountability, delegated legislation, Legislative procedure and committees of legislature, legislative and judicial control over the delegated legislation, judicial review of administrative action. Comptroller and Auditor General of India, Attorney General of India.
5. **Important Amendments of the Constitution** – Basic structure theory, Emergency provisions and decentralization, Panchayathi raj, Seventy-third and Seventy-fourth amendments etc.,
6. **Welfare mechanism in India** – Directive principles of State policy and their relationships, Right to property, Election Commission, Public Service Commissions, Women's commission, National and State Minorities

commission, Backward Commission, Human Rights Commission, Information Commission, Finance Commission, Planning Commission, National Development Council.

7. Services under the Union and State – Constitutional provisions relating to Government and public servants.

Section III- Public Administration and Management – International Relations (7 Units)

- 1. Private and Public Administration** – its role in society, Public Administration as an art and a science, New Public Administration and New Public Management. Responsive Administration. Difference between administration and management. Difference between public and private administration.
- 2. Structure of Organisation** – Personnel, Financial, Administrative Law, Maintenance of Law and Order, Administration for Welfare. Issues of Areas in Indian Administration. Development Administration.
- 3. Organisational Behaviour and Management Concepts;** Organisation structure, systems, Processes, Strategies, Policies and Objectives, Decision making, Communication, Centralisation, Decentralisation, Delegation of authority, Responsibility, Control.
- 4. Formal and informal Organisation,** – Functional management: Finance, HR, Marketing, Production, Leadership and Motivation.
- 5. Management Tools and Techniques:** Decision making under uncertainty, PERT & CPM, PIME, POSD-CORB, SWOT Analysis, Performance Standards and appraisal, PDCA Cycle, Personnel Policies, Manpower - Policy and Planning, Training and Development, Conflict Management, Management of change and development. Team Building, quality tools (Brain Storming, nominal group technique, pareto chart, fishbone diagram and process chart).
- 6. Administrative Reforms,** Ethics and Values in Public Service, Public Relations, Good Governance, Accountability and control, Program monitoring and evaluation, Lokpal and Lokayukta, Redressal of Citizens grievances, District Administration and Panchayathi Raj System, Law and Order and Development Functions, Development Programmes. Welfare Programmes for SC/ST and women. People's participation. Administrative Reforms Commissions - Central and State.
- 7. United Nations and Specialised Agencies,** Other International Organisations and Agencies - Origin and development of UNO – Role in International Relations, General Assembly, Security Council, Economic and Social Council, Trusteeship Council, International Court of Justice, UN and Peace Keeping Operations, UN and Disarmaments, Future of UN. Special Agencies like WHO, ILO, FAO etc., International Organisations like IMF, World Bank, ADB, WTO, EU, ASEAN, SAARC, AU, NATO, NAM, OPEC, G-8, IAEA, etc., Role of Developing countries in International Relations, India and her Neighbours. Etc.,

PAPER – IV General Studies 3

Section-I, Role and Impact of Science and Technology in Development of Indian, Information Technology In Public Domain

1. Basics of Science and Technology.

Classical and emerging areas of science and Technology (S&T)- Value Addition by Science & Technology- Current Science & Technology developments in India and Importance of Science & Technology as an engine for national development- Industrial development & Urbanization- National policy of Science & Technology ; changes in policy from time to time ; Technology missions- ICT: Basics Computers, Communication, Telephone and Television- Broadband, Internet, & Web-IT industries, BPO, economic & employment growth- E-governance, E-commerce & E-learning- IT& Rural applications, Digital divide & its prevention- Computers in Mass Media.

2. SPACE Science and Technology

- A brief history of global space programmes, and current space programmes.
- Space programme in India- INSAT, IRS systems, EDUSAT, and Chandrayana-1, Etc., and future programme.
- Application of Space technology in India with special references to Educational, Agricultural and Other Rural Developmental Activities.

3. Energy Resources

- Indian Energy scenario- Hydel, Thermal, Nuclear, & Renewable; their potential, harnessing & options.
- Importance of renewable resources- Solar, Wind, Small/ Mini/ Micro Hydel, Biomass, Waste based, Geothermal, Tidal, Hydrogen & Fuel cells.
- Enabling legislations, financial and procedural incentives, and business opportunities for investors.

4. Disasters, Pests and Pollution

- Climatic Change – floods, cyclone, tsunami, natural and manmade disasters and disaster management.
- Crop science in India, Fertilizers, Control of Pests and Crop Diseases.

- Safe Drinking water & supply.
- Sanitation and Waste disposal
- Urbanization, Industrialization, and Pollution control.

5. Related Perceptions

- Universalizing Science and Technology literacy;
- Technology with a Human Face
- Human Development Index (HDI)
- Contribution to Growth of GDP
- Facing Global competition
- Preservation & promotion of culture and indigenous knowledge

6. Knowledge Society

- Human capital, its power, imparting education, Skill, & Values.
- Role of Knowledge for Economic growth, Social development, Cultural enrichment & political empowerment.
- Achieving goals around Knowledge: Eradication of poverty; Universal primary education; Gender equality.

7. Rural Upliftment and Science & Technology

- Advance Infrastructure in Rural Areas, Establishing Physical, Electronic, Knowledge, & Economic Connectivity.
- Regional Language: Usage in ICT
- Horticulture: Hybrid seed production with R&D; Set up Fruit and vegetable processing plants, packaging & Marketing.
- Agro Food Processing: Forming village clusters and establishing Food Storage, Food Processing, and Food Packaging & Marketing.
- Bio-fuel cultivation and extraction
- Scientific Water harvesting.

Section II: Advancement and Modern Trends in Natural Sciences, Life Sciences, Agricultural Science, Health and Hygiene - (7 Units)

1. Natural Science

Plants - crop plants, forest species, medicinal and aromatic plants, usefulness of plants and human affairs (utility), photosynthesis, transpiration, harmful plants.

Common classification of animals - domestic and wild animals. Usefulness of animals and human affairs (utility).

Microorganisms: Common bacteria, virus, fungi and their beneficial and harmful effect on mankind.

2. Agriculture Science

Agriculture scenario and importance of agriculture in the national and state economy. Crop production and protection. Chemical Fertilizers and Vermi compost. Cost benefit and investment analysis of agricultural enterprises. Programmes for production and productivity enhancement - green, white, yellow, blue revolutions. Recent trends in organic farming and farm mechanization. Farming systems and sustainability. Agro-processing and agro-based industries. Post-harvest technology and value addition. Management of land and water resources.

3. Horticulture and Sericulture

Importance of Horticulture-floriculture, vegetables, fruits, plantation crops, spices, aromatic and medicinal plants. Hi- tech horticulture (green / poly house cultivation). Post-harvest management and value addition. Special promotional programmes for horticulture development.

Sericulture: Importance of sericulture in India and Karnataka, distribution of mulberry and non-mulberry sericulture (area, production and productivity across states), cocoon production.

4. Initiatives in Biotechnology

Concept of biotechnology, introduction and application of genetic engineering and stem cells research. Molecular breeding and marker assisted selection. Transgenic plants (genetically modified) and their beneficial and harmful effects on environment and society. Biotechnology in agriculture (bio-fertilizers, bio-pesticides, bio-fuels, tissue culture, cloning). Food bio-technology, food safety and microbial standards, food quality standards, food laws and regulations.

5. Animal Husbandry (veterinary, dairy and fishery sciences)

Importance of livestock in the national and state economy. Important exotic and Indian breeds of cattle, buffalo, sheep, goat, swine and poultry.

Milk production management and dairy development. Milk Cooperative Unions and their role in rural economy-AMUL, KMF.

Fisheries resources in India-Marine fisheries resources and potential, exclusive economic zone of India, coastal aquaculture and Mari culture. Inland water resources, commercially important fishes, responsible fishing. Ornamental fish production. Value addition of livestock products and quality control.

6. Agriculture development policies, programmes and trade

Salient Features of National and Karnataka state agricultural policies, Agriculture Price Policy, National Seed Policy, Agricultural Credit Policy, National Agricultural Research System (NARS). Farmers welfare programmes in India, Farm women development programmes, Agriculture under Five Year Plans, Development / strengthening of agricultural marketing infrastructure-Grading and Standardization, Crop Insurance Scheme-National Agricultural Insurance Scheme (NAIS), Weather Based Crop Insurance Scheme (WBCIS), Food Security, National Watershed Development Programme, Export potential of agriculture-horticulture-livestock products. Commercialization and globalization of agriculture- WTO, AoA (Agreement on Agriculture).

7. Health and Hygiene

Human - Digestive, circulatory, respiratory, excretory and reproductive systems. Allopathic, Indian System of Medicine, Naturopathy and Yoga (AYUSH), NRHM, National HIV Programme, Tuberculosis programme, P and SM (Preventive and Social Medicine), Diseases - Communicable diseases, epidemic diseases, endemic diseases, vector borne diseases. Basic knowledge of infections caused by different groups of microorganisms - Gastroenteritis, cholera, tuberculosis, malaria, viral infections, HIV, encephalitis, chikungunya, bird flu, dengue, preventive measures during outbreaks. Vaccines, introduction to immunity, production of DPT and rabies vaccine and hepatitis vaccine. Application of immunological methods in diagnosis. Health awareness Programme, Etc.,

Section - III Challenges and Issues of Development on Environment & Ecology (6 units)

1. Environmental Segments: Promotion and protection -forest conservation and environmentalism. Protection of Wild Life, Project Tiger, National parks and Sanctuaries, Impact of mining on forest and environment. Red Data Book: Endangered species, Eco Tourism and any other related current issues.
2. Natural Resources: Forest - Types and conservation of forest and forest resources. Water resources-flood and drought occurrences, water resource management, Land resources. Rain water harvesting, **Infrastructure development - Dams, Roads, Rails, Bridges, Industry**, urbanization and waste water management, acquisition and rehabilitation and other issues due to human interventions and any other related current issues.
3. Eco System and Biodiversity - Ecology - Basic concepts of ecology, Eco System, Food Chain, Biodiversity and its conservation, Hot spots of Biodiversity, threats to diversity, forest sustainable development and management, any other related current issues, IPR.
4. Environment Pollution and Solid Waste Management - Air Pollution, Water pollution, Soil Pollution, Noise Pollution and remedies. Solid waste Management- Types of Solid waste management, factors affecting the solid waste generation, Impact of solid waste, Recycling and reuse. Any other related Current issues. Environment protection Act, Air (prevention and control of pollution), water (prevention and control of pollution), water pollution Cess Act.
5.
